

Santa Clara Tennis Club

Captain's Agreement

The Captain agrees to have all USTA team members become members of Santa Clara Tennis Club. The list of current members can be found at sctennisclub.org/members. Team members **must** be a member of SCTC before they play a match. Failure to do so will result in the player being barred from playing in further matches until this is rectified, and the captain will be placed on probation, but if rectified promptly, probation is lifted and there is no further consequence.

The Captain is aware that Santa Clara Tennis Club is required by the City of Santa Clara to maintain a 50% + ratio of City of Santa Clara residents to non-residents. Prior to approval to run a team, the Captain may be asked to provide a list of USTA team members with cities of residence so that the club can determine the likelihood of being able to maintain this ratio before the team is approved to play.

Captains must attend Santa Clara Tennis Club (SCTC) board meetings while they are an active Captain. If they cannot attend, a team representative may attend in lieu of the Captain. Board meetings are on Zoom, generally on a Tuesday evening at 7 PM, four times a year. The schedule of meetings is published early in the year, and you will also receive a courtesy reminder as the meeting approaches. After attending and being updated on relevant USTA information, you are free to leave.

Captains perform a service for the club once per year. Typically, they assist at Saturday morning mixers by registering players and coordinating the court play. Other volunteer activities may be offered in lieu of assisting with the Mixers, if mutually agreeable between the captain and the club.

The Captain is aware that they are representing both Santa Clara Tennis Center and Santa Clara Tennis Club and appropriate conduct is required of the Captain and team members. Any detrimental conduct of the Captain may be grounds for probation and not being approved in the future as a USTA team Captain.

The Captain's signature below constitutes agreement with the above conditions. This agreement is for the current year only and must be signed annually.
